

LIGHTS | CONTROL | RIGGING

<u>Job Title</u>	Rigging Prep Technician
<u>Reporting to</u>	Rigging Head of Department
<u>Date of Issue</u>	October 2023
<u>Location</u>	Darwen, Lancashire

About LCR

LCR is a recognised industry leader in the world of entertainment and event solutions. With a strong commitment to excellence, we have consistently delivered outstanding services and solutions that make events truly memorable. Our rich portfolio of projects reflects our unwavering dedication to creating remarkable experiences. Whether it's concerts, theatre productions, corporate events, or more, we take pride in our ability to turn every event into something exceptional. We have won TPI's 'Favourite Lighting Rental Company' award every year since 2018. Our clientele includes some of the biggest names in music, from Ed Sheeran to Dua Lipa, Rod Stewart, Little Mix, Anne Marie and many more....

Scope of Role

As a Rigging Prep Technician at LCR-Rental.com, you will play a crucial role in ensuring the safety and efficiency of our rigging equipment. You will be responsible for preparing Hoists, controllers, and loose rigging components to meet our clients' needs, while maintaining the highest standards of safety and quality. This role is based in the United Kingdom.

Key Responsibilities and Accountabilities:

- **Equipment Inspection and Maintenance:**
 - Conduct visual inspections and functional tests on Truss, hoists, controllers, and other rigging equipment.
 - Perform routine maintenance and small repairs to ensure equipment operates safely and efficiently.
- **Rigging Preparation:**
 - Prepare rigging components according to LCR specifications and high standards.
- **Quality Assurance:**
 - Ensure that all rigging equipment is in compliance with industry standards and safety regulations.
 - Conduct thorough quality checks to identify and resolve any issues.
- **Documentation:**
 - Maintain detailed records of equipment inspections, maintenance, and preparation activities.
 - Report any issues or needed repairs to the appropriate supervisor.
- **Team Collaboration:**
 - Working with the rest of the rigging team to pull jobs to a schedule and deadline.
 - Working with the other departments and team members within the organisation.

LIGHTS | CONTROL | RIGGING
